DELAYED STREET CAR TRAFFIC.

Armature at Transit Company Power-House Burned Out.

Street cars on the Tower Grove, Belleontaine, Chouteau, Eighteenth street and Jefferson avenue lines were delayed nearly an hour last night by the burning out, at about 8 o'clock, of an armature in the power station of the Transit Company at Jefferson and Geyer avenues.

The power-house is used as an auxiliary station, and the armature is operated mornings and evenings, when traffic is heavy. The armature is run by two huge engines and generates 2,700 horse-power. It was running at full speed when, from unknown cause, it took fire, Immediately the interior of the building was filled with brilliant electric flame and sparks, which caused a harry calt of the employes.

An alarm of fire was turned in, but shortly after the arrival of the fire engines the electricians had succeeded in shutting off most of the current at the switch board, enabling an engineer to run in and slop the engines. Extra emotors at the Park avenue an hour last night by the burning out, at

abling an engineer to run in and stop the engines. Extra movors at the Park avenue station were started as soon as possible end traffic on the lines resumed.

filing Wood's claimed 180 acres running the entire length of the townsite. This shut out Miss Mattie Beals, the Wichita, Kas., telephone girl, who won No. 2 in the lottery, and who was thus compelled to file on a claim of much less value.

Five hundred Lawton business men have signed the contest papers, which recite that Wood violated both the spirit and letter of the homestead act.

Horace Speed, United States District Attorney for Oklahoma, when he heard of Wood's selection, was quoted as saying:

"Any good lawyer can defeat Wood, if a contest is instituted. The law contemplates no such perversion of homestead rights. If a contest is instituted there can be only one result."

Building Progress at Lawton.

Buildings have already been begun on the Wood homestead. Those who have established themselves in business along the south border of the town, called McCoy avenue, have received the tip not to move, and pay no attention to Wood. He will, it is said, have to institute legal proceedings to eject them.

Word has also been received from WashIngton that Emmett Cox. son-in-law of
Quanah Parker, has instituted a contest befor the Interior Department for one of the
quarter-sections adjoining the town site,
the north half of which is in the Wood
claim and the south half in Miss Beal's.
The contest of Cox is not regarded seriously, but will make trouble.

The town lot sale is proceeding so slowly
that McCoy avenue will be an established
business street before lots in the main business district are reached by the auctioneer.

Want Reserves Ordered.

A movement has been started here among
the homeseckers who lost to have the Government open up the three reserves in the
land lottery, which it set asde in the Lawton District before the opening. At a meet-

ton District before the opening. At a meet-ing of 100 or more of them it was decided to petition the Interior Department at once

to petition the Interior Department at once to take such action.

These reserves embrace 532,509 acres, or about 3,309 quarter sections. The land was held in reserve, it is believed, because the Government anticipated that the cattlemen, who had all of the Klowa-Comanche country leased for pastures, would not be able to fird pastures in Texas or other cattle grazing sections readily. If the cattlemen can round up their cattle and get them to the Government reservations this fall, the homeseekers argue, they can find pastures somewhere else by next spring. The homeseekers are willing to buy the land outright from the Government.

REVENUE FOR NEW TOWNS.

Proceeds From Town Lots Will Be Devoted to Government.

REPUBLIC SPECIAL Washington, Aug. 8.—The sale of town lots in the Kiowa and Wichita reservations, which were recently opened to settle-ment, is progressing satisfactorily. The

ment, is progressing satisfactorily. The Secretary of the Interior has received a telegram stating that forty-one lots in the county seat of Lawton so-d yesterday for \$5.50, while from the sale of sixty-three town lots in the county seat of Anadarko the aggregate was only \$5.700.

The prices don't represent the value of the land because the blocks and lot must be sold in their numerical order, as prescribed by the department.

The money realized from the sale of the lots, after paying all expense of surveying and the platting of lots and other incidental expenses, will be devoted to the municipal government in each county seat until revenue can be realized from taxation.

Applications have been received by the Secretary of the Interior asking that a change be made in the regulations governing the sale so that the more desirable business lots may be sold first. This request has been taken under consideration, and a decision will be reached in a day or two.

STRIKE AT SAN FRANCISCO.

Building Operations Suspended and Thousands Are Idle.

San Francisco, Cal., Aug. 8.—Owing to an order issued last night by the Sand Team-sters' Union, the drivers on the wagons employed in hauling the sweepings did not employed in hauling the sweepings did not report for work this morning, and it was, therefore, useless to send out the sweeping gang. The consequence is that the streets, especially in the downtown district, are becoming filthy, to the dismay of business men and city officials and the annoyance of passers-by.

Building is being brought to a standstill for want of material, and many hundreds of men who are not on strike will soon be idle. The congestion on the water front is becoming more serious daily.
